## GOOD TEMPLARS TO ORGANIZE

George W. Paty, president of the Anti-Saloon league is momentarily expecting the arrival of a charter from the National Good Templars' Lodge which will make the local temperance association a branch of the Good Templars' Lodge. Besides Paty, there are twelve who sent in their names to the secretary of the national organization and when the charter arrives, as many more are expected to add their names to the membership roll.

Application for the charter was sent to the National branch at Waverley, Massachusetts on the seventh and an answer to the petition is expected with every mail. It is believed that when the charter does arrive, that there will be so many applications for membership that it will be necessary to form two lodges instead of one.

Odd Fellows hall has been procured for the meetings which will be held weekly and responsible business men of the city have offered to defray attendant expenses. At the meetings temperance in all its bearings, upon civic and personal life of the community will be discussed. Temperance dramas will be enacted by members of the lodge and temperance songs will be sung at all the meetings.

Mrs. J. M. Whitney, president of the W. C. T. U. is expecting a temperance worker and organizer to arrive here from the Orient in a week or two. This woman who has spent most of her working with the army and navy men will conduct a monster temperance rally while she is here and will give suggestions to the local workers as to their work.

In connection with the announcement of the temperance rally comes the news that the dry forces of the city are contemplating a monster rally and picnic to which a whole day will be devoted. The day upon which the picnic is held will be known as "Temperance Day."

## SCHOFIELD NOTES

SCHOFIELD BARRACKS, July 3.—Second Lieutenant Francis C. V. Crowley, Fifth Cavalry, has been assigned to Troop F.

Captain E. C. Carey, C. S. First Infantry, has relieved Captain Edward A. Shuttleworth, C. S. Second Infantry, as post commissary.

The detachment of enlisted men on duty with the polo team has gone to Mounalua Park in connection with the series of games between the inter-island teams.

Band, machine gun platoon, Troops D and C, Fifth Cavalry, under command of Major John M. Jenkins, Fifth Cavalry, left the post for Honolulu to participate in the Fourth of July celebration. Second Lieutenant Arthur W. Hanson will perform the duties of adjutant and quartermaster during the trip. After the exercises of July 4, Lieutenants Sheridan, Hanson and Millikin will report for duty with the polo team.

Strength has been added to the Cavalry polo team since the return of Captain W. D. Forsyth and First Lieutenant Philip Sheridan.

Battery F, First Field Artillery, under command of Captain Clarence Deems Jr., left for Honolulu yesterday. The prizes offered in the section contest are the incentive of much rivalry in this battery among the sections entered in the contest, which, by the way, is one of the most spectacular of army drills, and one which Honolulu has never before had the opportunity to witness.

Tuesday marked the first appearance of the Fifth Cavalry Band at guard mounting since March 31.

CLAUDINE LEAVES TONIGHT.

Four hours after the first edition of the Star-Bulletin is on the street today, the Claudine will leave for Maui carrying a number of excursionists going up for the races and to see what Maui has to offer in the way of scenery as an incentive for tourists to visit that island. The steamer is large and comfortable and the rate, eight dollars, is low enough for almost anyone to go. There will be a great program of sports and some of the best horses in the islands will be on the track. A number of men interested in baseball and horseracing will go up tonight and make things lively. The company has delayed the steamer until half past six so that men who work may have time to get home for a change of linen and go away feeling comfortable.

The board of city and county supervisors adjourned last night to meet at noon on Saturday July 13th.

## INTERPRETERS HOLD UP WOULD BE CITIZENS

Two Japanese interpreters on Maui and Hawaii are making a small fortune off Japanese who are trying to get citizenship papers for themselves or their children, according to news that has reached Chief Clerk Henry O'Sullivan. Mr. O'Sullivan, accompanied by H. Kato, as official interpreter, left this morning for Maui and the two will spend a number of weeks looking up the applicants for certificates of citizenship and issuing papers if they qualify.

According to the story that concerns the activities of the two island interpreters, they have been charging from ten to twenty-five dollars for each application for a certificate, putting the application in shape, translating it into English and looking after the forwarding to the chief clerk of the Territory.

The Ninth Infantry, under the command of Colonel Charles K. Crane is on board the United States army transport Sherman, en route from the Philippines to the mainland.
